

**Episode Eight – Muzz video diary
Transcript**

I like this individual assessment. I think if I write my own evaluation, the tutor will understand what I have contributed. Sometimes I think I get buried in the discussions, and the others ignore my comments. I think maybe they will mark me down for this, but I'm glad to be doing the conclusion. Rob doesn't think I can do this, but I know I will do it well.

When I am not trying to talk over everybody, I think I have something valuable to say. Well, sometimes...
