

Episode Five – Analysis Transcript

Dr. Jones: Okay, so is there anything else you need help with today?
Vikki: No, I think that's all.
Dr. Jones: Okay, are you sure? I'm gonna be booked up for the next couple of weeks, so today really is your last chance.
Shireen: Erm...have you got a list of the equipment that you need to give to them?
Rob: I'm on to it.
Shireen: So you've not done it then?
Rob: I've just said, I'm on to it.
Shireen: Typical.
Delia: I think that we only need to request equipment that's not already in the room.
Rob: Nice one, Delia. See, I *said* you should have been leader.
Dr. Jones: So, who *is* the group leader?
Shireen: Well, we haven't got one. But I said I'd do it.
Dr. Jones: Well, that's fine if it works well for the group. But how are you getting on with each other?
Vikki: We're getting on really well as a group.
Dr. Jones: How are you working well together?
Vikki: Erm...well, some of us wanted to do role play; and the others, PowerPoint, so we've compromised and we're doing both.
Dr. Jones: And how are you making those decisions?
Rob: We're not: Shireen makes them.
Shireen: Since when?
Dr. Jones: So is there a bit of conflict between you two?
Rob: No, nah we're fine. I was only joking.
Dr. Jones: Well, if there's conflict, you really *do* need to discuss it. Because you won't get on well if you've got some kind of tension between yourselves.
Muzz: No, we're ok. We're a good team.
Dr. Jones: You're sure? Okay, well if there's nothing else, I'd best be off. Okay. I'll look forward to seeing you on the day.
Group: Thanks
Rob: See ya.
Rob: Well *that* were a waste of time. I said we should have just told him.
Vikki: Yeah, he seemed really understanding. He might have been able to help us.
