

## Episode Five Transcript

Rob: Jonesey's gonna be here in a minute, and we still haven't sorted anything out. We're not working well as a team. I think we should tell him, and get him to sort it out for us.

Shireen: No way, we can't tell him. We'll look like complete idiots.

Vikki: Yeah, and it might count against us.

Rob: But we've done nothing so far but argue.

Delia: Look, don't worry, we will sort it out. Just don't say anything.

Muzz: But we need to ask about the brief.

Shireen: Yeah, that's okay. But in general, let's just tell him that things are fine. OK?

[General chatter]

Dr. Jones: Morning guys.

Group: Hi.

Dr. Jones: Can I join you?

Group: Yeah.

Shireen: I'll get you a chair.

Dr. Jones: I've come to see how it's going. Okay?

Group: Yeah

Dr. Jones: So how *is* it going?

Shireen: Good

Muzz: I think we're doing really well, but we are having problems understanding the brief. We're not sure what you want from us. For example, how many minutes shall we speak for?

Dr. Jones: Well that's up to you. Just so long as all six of you present.

Shireen: Erm...there's only five of us.

Dr. Jones: Well that's the names I've got. I've got six on the list.

Shireen: Who's Liam Brown?!

Dr. Jones: Well I've got Liam Brown down as a member of the group from day one...

Delia: ...he's never been in...

Dr. Jones: Well can one of you get in touch with him, and tell him when and where you're meeting?

Shireen: Well we could, but I've allocated all the tasks now, and we've drawn up an action plan and stuff, so if we get in touch with him we're gonna have to start from scratch basically.

Rob: We've *all* done our action plans and tasks.

Vikki: Look, it's not a problem: I'm sure we can find things for him to do.

Dr. Jones: Okay, so is there anything else you need help with today?

Vikki: No, I think that's all.

Jones: Okay, are you sure? I'm gonna be booked up for the next couple of weeks, so today really is your last chance.

Shireen: Erm...have you got a list of the equipment that we need to give to them?

Rob: I'm on to it.  
Shireen: So you've not done it then?  
Rob: I've just said, I'm on to it.  
Shireen: Typical.  
Delia: I think we only need to request equipment that's not already in the room.  
Rob: Nice one, Delia. See, I *said* you should have been leader.  
Vikki: Do you know what time slot we have on the day? Can we go after a break?  
Dr. Jones: Erm...I don't see why not. I'll make a note of that. You'd better remind me on the day. Okay? So if there's nothing else, I'll be getting off. Okay?  
Group: Yeah  
Dr. Jones: Right well I'll look forward to seeing you after lunch on the day.  
Rob: See ya.  
Shireen: Thanks for coming.  
Rob: Well *that* were a waste of time. I said we should have just told him.  
Vikki: I don't think he would have been much help anyway!
