

## Episode One Transcript

Shireen: Hi.  
Vikki: Hiya, how are you?  
Shireen: You alright? I'm Shireen.  
Vikki: Hi, I'm Vicky. Nice to meet you.  
Shireen: Hiya.  
Muzz: Muzz.  
Shireen: Hiya Muzz. Shireen.  
Muzz: Hello.  
Vikki: Shireen, did you go to the lecture this morning?  
Shireen: Yeah  
Vikki: Have you got the notes? I missed it  
Shireen: Ah, they're on my laptop. Sorry.  
Vikki: Oh, okay.  
Shireen: Do you know where the others are?  
Muzz: You want coffee?  
Shireen/Vikki: No thanks  
Vikki: I think they're on the way; I think I saw them. I passed them further down the corridor.  
Shireen: Right, okay. It's just that it's getting on for ten past now; they should be here, shouldn't they?  
Vikki: I'm sure they're on their way.

Rob: You've had Stringfellow, haven't you?  
Muzz/Vikki: Yes  
Rob: Well, have you seen what he does?  
Muzz: With the leg...?  
Rob: Yeah, but when he's getting to a really important place, he sticks his leg up on the table like that...  
Shireen: .....Guys...? Sorry...do you wanna crack on with this? Because we've not got that long to do it. Erm...what are the barriers to effective learning and how can this be overcome? There's gonna be quite a lot of stuff to cover, so do you wanna elect a group leader, and then we can be specific about the points? I don't mind doing that, because I've done group leading before.  
Vikki: Maybe we could all have a go at running the sessions?  
Shireen: Mmmm.  
Vikki: What does everyone else think?  
Muzz: Yes.  
Shireen: Ok

Shireen: What I'm saying is, I think we need to decide *now* what we're gonna do in the presentation, otherwise we're just gonna be discussing loads

of things over the weeks and not have an idea of how we're *actually* gonna present it. So I've got a PowerPoint....

- Vikki: I think we should all *share* our ideas about what to include.
- Shireen: Well yeah, but we need to have some idea *now* about what we're gonna do when we present it, otherwise we're just gonna look stupid...
- Muzz: Excuse me
- Vikki: Yeah but can we *all* share ideas?
- Shireen: Well yeah, that's what I'm saying. I'm not saying "don't share our ideas,"
- Muzz: Excuse me. Excuse me. Excuse me! Sorry. I think we have to communicate our ideas onto the board.
- Shireen: What for though?
- Vikki: The way I see it, is that we'll start with the effective and ineffective approaches to learning.
- Muzz: Yes.
- 
- Vikki: Ok, so we've got good planning; relevant resources; sharing ideas; clear communication and using feedback. Does that help?
- Rob: Do you get it now, Muzz?
- Muzz: What do you mean?
- Rob: Well it's taken you long enough!
- Muzz: Well, it's clear for me, okay?!
- Delia: Well, I didn't really understand before either, but it is a lot more clear now.
- Shireen: Yeah. Right, well, let's move on, because we've got ten minutes left, and we've only looked at effective, so do you wanna look at ineffective now?
- Rob: I've gotta go.
- Shireen: Brilliant.
- Rob: Well, sorry. When are we meeting next week?
- Shireen: Same time.
- Rob: Fine. See you later.
- Delia: See ya.
- Shireen: Good commitment.
- Muzz: He's very rude.
- Vikki: Okay, how about we finish this list, and then we can update Rob next week
- Shireen: Right.
